Seminar Notice 3

In partial modification to earlier notice No. F(seminar2017) IOT/ELE/UOK/20/02, dated 30th May 2020, students will present their seminar as per the following schedule via zoom.

S. No	Roll No	Name	Topic	Dated
1.	17207145001	SHAHIJAHAN KHAN	Analysis Of Solar Thermal Power Generation	24 th June 2020 2:00 p.m. onwards
2.	17207145002	TAMEEM SHAFI	Gas Insulated Substation	
3.	17207145003	SHAKIR HUSSAIN BHAT	Walk And Charge	
4.	17207145004	FAIZAN JAN	Smart Grid	
5.	17207145005	IRTEEQA	Surge Current Protection Using Superconductors	
6.	17207145007	MOHSIN MANZOOR SHEIKH	Vortex Electricity Generator.	25 th June 2020 2:00 p.m. onwards
7.	17207145008	SHAYAN BANDAY	AI - FLC , Deep Learning	
8.	17207145009	JASEERA KHAN	Analysis Of Cardiac Signal Using Signal Processing Method	
9.	17207145011	WASEEM AHMAD RASHIE	Losses, Efficiency & Equivalent Circuit Of Single Phase Transformer.	
10.	17207145012	ARBAAZ UL RIYAZ	Power Quality	
11.	17207145013	SALMAN MEHMOOD DAR	Infrared Plastic Solar Cell	26 th June 2020 2:30 p.m. onwards
12.	17207145014	LATEEF AHMAD DAR	Light Emitting Polymer	
13.	17207145015	AABID MUSHTAQ MAGRAY	Fault Location Of Overhead Transmission Lines	
14.	17207145016	AMREENA BASHIR	Nano Fuel Cell	
15.	17207145017	INSHA ANDRABI	RTDS power system simulator.	

Guidelines:

1. The presentation shall not exceed 30 slides and a duration of 15 minutes.
2. Presentation will be followed by QA session related to the topic.
3. In view of the pandemic, the presentation shall suffice (no need to submit report).
4. Student attendance during the session will not be mandatory, although preferable. The session shall be hosted by the undersigned and shall allow the students to share presentation.
5. Missing the presentation on the scheduled date shall invite penalty.
6. A presentation format has been uploaded on the website for reference.
7. Students are advised against plagiarism. The same shall invite penalty.
