**NOTICE**

**Subject: Continuous Assessment and Guidelines for Major Project (PSIEE806) – B.Tech 8th Semester**

It is hereby notified for the information of all the students of B.Tech Electrical Engineering, 8th Semester, that the assessment of Major Project (PSIEE806) shall be conducted on a continuous basis at regular intervals of two weeks throughout the semester.

In this regard, the following guidelines shall be strictly adhered to:

**Attendance Requirement:**

- Students must regularly attend all project-related sessions as per the timetable.
- Attendance shall be maintained only in the designated project laboratory.
- Maintaining proper attendance is mandatory and will form an essential component of evaluation.

**Logbook Maintenance:**

- Each student/group shall maintain a properly documented logbook of their project work.
- The logbook must clearly record the work carried out, progress achieved, and discussions held during each session.
- Entries in the logbook must be regularly updated and duly signed by the concerned mentor.
- The logbook must also be verified and signed by the concerned laboratory staff.

**Evaluation Criteria:**

- The final evaluation of the Major Project shall be based on continuous assessment carried out during the semester.
- The marks distribution shall be as follows:
  - 50% Marks: Based on attendance in project work/lab sessions
  - 50% Marks: Based on performance in periodic (bi-weekly) evaluations

All students are advised to take note of the above instructions and ensure serious and consistent involvement in their project work. Non-compliance may adversely affect the final evaluation.
