

Iflah Javeed

2014-2018

Network Operations Engineer

Iflah was born in Srinagar in 1995. She obtained her undergraduate degree in Electrical Engineering from the Institute of Technology, Kashmir University in 2018. Following this, she completed her Master's in Electrical Power at the University of South Australia. Iflah has one publication to her name.

I would like to express my sincere gratitude to the faculty and staff of the Department of Electrical Engineering. Your support and guidance have been crucial to my professional development and achievements. Thank you for fostering an environment of excellence that has greatly influenced my growth.
