

Raqib Shabir

2020-2024

**GET at Hindustan Zinc Limited
(Vedanta PVT LTD)**

I, Raqib Shabir was born in Srinagar and obtained my undergraduate degree in Electrical Engineering from IOT-Zakura in 2024. I will be working as a Graduate Engineer Trainee (GET) at Hindustan Zinc Limited (Vedanta PVT LTD).

Dear Aarish Sir, Ubaid Sir, Zahid Sir, and Aadil Sir.

As I reflect on my journey at IOT-Zakura, I am overwhelmed with gratitude for the invaluable guidance, support, and knowledge each of you has provided.

Aarish Sir, your insights and encouragement have always been a source of motivation for me.

Ubaid Sir, your passion for teaching and clarity in explanations have made complex topics more approachable.

Zahid Sir, your patience and willingness to help have been greatly appreciated.

Aadil Sir, your practical approach and real-world examples have significantly enhanced my understanding.

I am truly fortunate to have had the privilege of learning from such exceptional mentors. As I move forward in my career, I will always carry with me the lessons and values you've instilled in me.
